Fondation Paradis des Indiens - FPDI

“Our administration and accounting systems were relatively new, so the timing of Konbit’s assistance was very valuable. The project was particularly beneficial in the restructuring of our institution and above all in the restructuring of the documents that govern us. Konbit accompanied us without fail for a year, not counting the additional training we received. Konbit has always pushed us to find innovative solutions to the problems we faced.”

Michaëlle De Verteuil, President Fondation Paradis des Indiens - FPDI
