- Conduct an external audit;
- Develop a sustainability plan.

Achieved Results

- Internal procedures and manuals revised and up to date;
- KNFP is prepared for an external audit;
- KNFP staff trained on Quickbooks;
- External audit conducted;
- Effective strategies developed to increase revenue;
- Administrative and financial systems strengthened and compliant with Haitian law.

“

In general, donors in Haiti fund humanitarian projects and not organizational capacity building. However, thanks to Konbit, we have been able to increase our staff in our administrative and finance department and we are already witnessing significant improvement in its operations. Konbit has enabled us to strengthen our staff, start developing a sustainability plan, and complete our financial audit.

Dieudonné Eugène, Technical Advisor KNFP

”

KNFP is an Association of grassroots microfinance cooperatives that offers technical and organizational support to its members in rural areas of Haiti. Active for more than 20 years, KNFP trains, coaches and advocates for grassroots financial institutions and farm cooperatives.
